This detailed topographic map shows the area around Henry Lake, spanning parts of Madison, Gallatin, and Custer counties in Idaho and Montana. The map includes a grid of 1:625,000 scale, with labels for townships T15N, T16N, and T17N, and sections 1 through 36. Key features include:

- Henry Lake**: A large body of water located in section 32 of T15N.
- Block Pk**: A prominent peak at 700.081 M., situated between T15N and T16N.
- Bald Mt**: Another peak to the east of Block Pk.
- Reynolds Pass**: A pass leading from the west side of Henry Lake towards the south.
- Streams and Creeks**: Labeled streams include Targhee Creek, Howard Creek, and Credit Creek.
- Landmarks**: Other labeled landmarks include T.C. Ferguson, Goshawk, and Duck.
- Elevations**: Contour lines show elevations ranging from 6,600 to 8,000 feet, with specific points like 694.2 M. and 698.3 M. marked.
- Boundaries**: State and county boundaries are clearly delineated, showing the shared border between Idaho and Montana.
